SUMMARY

Final-year Computer Science Engineering student with foundational knowledge of HTML, CSS, JavaScript, React.js, PHP, and MySQL. Developed multiple web and Android applications to strengthen practical development skills. Passionate about full stack development and eager to begin my career as a Software Developer, contributing to a collaborative product environment.

PROJECT

E-Commerce Website

- Built a full-stack e-commerce website with user login, dynamic shopping cart, order management, and product listings.
- Created a responsive design using HTML, CSS, and JavaScript to ensure a seamless experience across devices, with PHP and MySQL powering the backend.

Portfolio Website

- Live Demo:** <https://sivasankarimuthu26-create.github.io/my-portfolio/>
- GitHub Repository:** <https://github.com/sivasankarimuthu26-create/my-portfolio>
- Designed and deployed a personal portfolio website using React.js to showcase projects, skills, and contact information.
- Leveraged React.js to build a responsive, single-page application for showcasing projects, skills, and contact details.

HabitX – Habit Tracker App

- GitHub Repository:** <https://github.com/sivasankarimuthu26-create/HabitX>
- Built a native Android habit tracker app with streak tracking, daily reminders, and local data persistence using Kotlin.
- Integrated local data persistence using SQLite to store user habits and progress securely.

CollegeAlert – Notification App

- GitHub Repository:** https://github.com/sivasankarimuthu26-create/CodeAlpha_CollegeAlert
- Developed a real-time college alert app to deliver academic and event notifications.
- Implemented background services to ensure reliable alert delivery even when the app is running in the background.

EDUCATION

B.E. – Computer Science Engineering

Oasys Institute of Technology • Trichy • 2023 – 2027 (Expected)

Higher Secondary

Govt. Model Girls HSS • Trichy • 2022 • Percentage: 86%

CERTIFICATIONS

- HTML, PHP & MySQL Training – IIT Bombay Spoken Tutorial
- Responsive Web Design – freeCodeCamp
- JavaScript Certification – Simplilearn
- SQL – Simplilearn
- Introduction to Data Science – Cisco
- Claude 101 – Anthropic

AWARDS & HONORS

- Participated in a One Day Science Workshop.

INTERNSHIP

Android App Development Intern – CodeAlpha

- Developed multiple web and Android applications independently to strengthen practical software development skills.

SKILLS

Programming Languages: JavaScript, SQL (Basic)

Frontend: HTML5, CSS3, React.js, Responsive Web Design

Backend: PHP (Basic)

Database: MySQL (Basic)

Tools & Platforms: Git, GitHub, VS Code, Android Studio, Docker

Core Concepts: Data Structures & Algorithms, Problem Solving, MS-Office

Soft Skills: Quick Learner, Team Player, Adaptability, Communication, Problem Solving
